## List of Articles and other Contributions Published in *Local Population Studies* Issues 51–100

Compiled by Chris Galley and Andrew Hinde

---

This list includes all articles, research notes, contributions to the ‘sources and methods’ and ‘electronic resources’ series, contributions to debates and a few miscellaneous items. It does not include editorials, reports of conferences, obituaries or correspondence. It is organised alphabetically by author’s name.

Author	Title	Type of contribution	Issue	Year	Pages
Ager, Adrian	Prostitution in the Medway towns, 1860–1885	Article	83	2009	39–55
Allison, Julia	Maternal mortality in six East Anglian parishes, 1539–1619	Article	94	2015	11–27
Anderson, Michael	Mis-specification of servant occupations in the 1851 census	Research note/ sources	60	1998	58–64
Anderson, Michael	What can mid-Victorian censuses tell us about variations in married women’s employment?	Article/ sources	62	1999	9–30
