
Notes on Contributors

Chris Galley has been a member of the Editorial Board of *Local Population Studies* since 2001. He is an ex-teacher and amateur (unpaid) demographer who has published widely on population history. He is the author of *The Demography of Early Modern Towns* (Liverpool, 1998) and co-author (with Robert Woods) of *Mrs Stone and Dr Smellie: Eighteenth-Century Midwives and their Patients* (Liverpool, 2014).

Andrew Hinde is editor of *Local Population Studies* and Senior Lecturer in Population Studies at the University of Southampton. He has published more than 30 articles on various aspects of historical demography, most recently on factors associated with mortality decline in nineteenth century England and Wales. He also teaches data science to postgraduate students in statistics at the University of Southampton.

Dave Maund has studied at the University of Leicester and recently at the University of Coventry, where he received his PhD in 2008 for a thesis entitled 'Moving on from a rural parish'. He continues to research into the history of migration in England since the eighteenth century.

Dave Postles was appointed Marc Fitch Research Fellow at the University of Leicester in 1988. He took early retirement in 2005, although he held a University Research Fellowship in the School of English at Leicester from 2005 to 2010. Until recently, he was Honorary Senior Research Fellow at the University of Hertfordshire. He has published extensively on the social and economic history of medieval England.
